Dear Mr. Turley:

This is a belated acknowledgment of your letter of June 10 to me.

I have voted regularly and contributed campaign funds since 1946 when I returned from Naval service. Never have I intentionally exceeded the donation limitations. It has always been my intent to comply with any laws or regulations and I will certainly increase my efforts to be informed about any limitation on political contributions.

If you have literature on the National regulations on political contributions, I would like to receive such information.

I thank you for calling any oversight on any specific contribution to my attention.

Very truly yours,

William T. Dobson
